Message from the President

The Royal Conservatory of Music was founded in 1886 with the idea that a single institution could bind the people of a nation together with the common thread of shared musical experience. More than a century later, we continue to build and expand on this vision.

Today, The Royal Conservatory of Music is recognized in communities throughout North America for outstanding service to students, teachers, and parents, as well as a strict adherence to high academic standards through a variety of activities—teaching, examining, publishing, research, and community outreach.

Our students and teachers benefit from a curriculum based on more than a hundred years of commitment to the highest pedagogical objectives. The strength of the curriculum is reinforced by the distinguished College of Examiners—a group of fine musicians and teachers carefully selected from across Canada, the United States, and abroad for their demonstrated skill and professionalism. A rigorous examiner apprenticeship program combined with regular evaluation procedures ensures consistency and an examination experience of the highest quality for candidates.

Our new home, the TELUS Centre for Performance and Learning, will make the most of the Conservatory's extraordinary potential and will allow us to share our innovative programs with teachers and students everywhere. This technologically advanced education and performance complex will reflect The Royal Conservatory of Music's broadened impact as an international leader in publishing and examinations, professional training, arts-infused public school programs, early childhood education, and concert presentation. I do hope that you will take full advantage of this great new facility, which will be an exceptional resource for students and teachers across North America and around the world.

As you pursue your studies or teach others, you become not only an important partner with The Royal Conservatory of Music in the development of creativity, discipline, and goal-setting, but also an active participant, experiencing the transcendent qualities of music itself. In a society where our day-to-day lives can become rote and routine, the human need to find self-fulfillment and to engage in creative activity has never been more necessary. The Royal Conservatory of Music will continue to be an active partner and supporter in your musical journey of self-expression and self-discovery.

Preface

The 2008 edition of the *Accordion Syllabus* represents the work of dedicated teachers, performers, and examiners, whose assistance is gratefully acknowledged. This *Syllabus* replaces all previous accordion syllabi, and forms the official curriculum of The Royal Conservatory of Music for accordion examinations conducted by RCM Examinations.

The RCM Examinations Certificate Program for accordion consists of eleven levels: ten graded levels (Grades 1 through 10), and an Associate of The Royal Conservatory of Music (ARCT) diploma.

Five levels of theory examinations described in the current RCM *Theory Syllabus* are designed to complement practical studies and to ensure a comprehensive knowledge and understanding of various aspects of theory. Required theory examinations begin at the Grade 5 practical level and include the following subjects: rudiments, harmony, history, counterpoint, and analysis.

RCM Examinations welcomes examination applications from all interested individuals.

Applications are accepted by RCM Examinations on the understanding that candidates comply with the procedures and requirements outlined in this *Syllabus*.

ARCT EXAMINATIONS

Candidates applying for ARCT in Performance or Teacher's ARCT examinations must have completed a Grade 10 practical examination with either a total mark of at least 75 or a minimum of 70 percent in each section of the practical examination. Candidates must also have completed all Grade 10 theory co-requisites with a total mark of at least 60 percent for each theory examination.

For more information regarding the ARCT in Performance examination, please see "ARCT in Performance" on p. 82.

Teacher's ARCT Examinations

Candidates applying for the Teacher's ARCT examination are strongly advised to have at least one year of practical teaching experience.

The Teacher's ARCT Diploma will be awarded only to candidates who are at least eighteen years old.

The ARCT Teacher's examination consists of three parts:

- Part 1—Practical Examination (Repertoire, Technical Requirements, Ear Tests, and Sight Reading)
- Part 2—*Viva Voce* Examination
- Part 3—Written Examination

Parts 1 and 2 constitute the practical portion of the ARCT examination and are therefore taken during a practical examination session. Part 3, a written examination, is taken during a theory examination session.

Candidates may choose to take all three parts of the Teacher's ARCT examination at one session, or they may take the parts at different sessions. The parts may be taken in any order, but all three parts must be completed within a period of two years.

Second ARCT Diplomas

Candidates may not attempt the Teacher's and the ARCT in Performance examinations in the same examination session.

- Candidates who have passed the Teacher's ARCT examination may obtain an ARCT in Performance Diploma by taking the entire ARCT in Performance examination.
- Candidates for the Teacher's ARCT who have passed the ARCT in Performance examination may choose to be exempted from the Repertoire section of Part 1: Practical Examination. The remaining sections of Part 1 must be taken during the same session as Part 2: *Viva Voce* Examination and within five years of the date of the ARCT in Performance examination.

SUPPLEMENTAL EXAMINATIONS

Improve an Examination Mark

Candidates seeking to improve their overall mark at the Grade 10 or Teacher's ARCT levels may take a Supplemental Examination.

- Supplemental Examinations must occur within *two* years of the original examination.
- Supplemental Examinations are given during regular examination sessions.
- Candidates in Grade 10 may repeat *any two sections* of a practical examination, *except Repertoire*.
- To be eligible for a Supplemental Examination in Grade 10, candidates must achieve a minimum mark of 65 overall and 70 percent in the Repertoire section.
- Teacher's ARCT candidates may repeat *one section in Part 1 and one section in Part 2* of a practical examination, *except Repertoire*.

- To be eligible for a Supplemental Examination in Part 1 of the Teacher's ARCT level, candidates must achieve at least 70 percent in the Repertoire section.
- To be eligible for a Supplemental Examination in Part 2 of the Teacher's ARCT level, candidates must achieve at least 70 percent in either *Viva Voce A* or *Viva Voce B*.

Candidates in Grade 10 and Teacher's ARCT must complete the respective theory co-requisites within five years of the *original practical examination*, not any subsequent supplemental examinations.

MUSICIANSHIP EXAMINATIONS

A musicianship examination may replace the Ear Tests and Sight Reading sections of a Grade 8, 9, 10, or Teacher's ARCT examination. Please consult the current *Theory Syllabus* for examination requirements. The musicianship examination must be taken at least one session *before* the practical examination.

Musicianship Level	Practical Examination Level
Junior Musicianship	Grade 8
Intermediate Musicianship	Grade 9
Senior Musicianship	Grade 10 and Teacher's ARCT

Candidates who have completed a musicianship examination should submit the following documentation when registering for the corresponding practical examination:

- a photocopy of the musicianship examination results
- a letter requesting exemption from the Ear Tests and Sight Reading sections of the upcoming practical examination

PRACTICAL EXAMINATION CERTIFICATES

Certificates are awarded to candidates who successfully complete the requirements for their grade.

Beginning in Grade 5, certificates are awarded *after* the theory co-requisites for that grade have been successfully completed. Theory co-requisites must be completed before or within *five* years of the original practical examination.

Candidates must complete prerequisite examinations at least one session prior to attempting the ARCT in Performance examination (p. 82) and any of Parts 1, 2, or 3 of the Teacher's ARCT examination (p. 87).

Please note that ARCT diplomas are awarded to candidates at the annual Convocation ceremony. Candidates may not use the designation "ARCT" before Convocation.

Editions

For many repertoire items, the *Accordion Syllabus* listing includes a suggested edition (indicated by a publisher abbreviation). These editions have been chosen for their quality or for their availability in North America. When no publisher is indicated, students are encouraged to use the best edition available—the edition that most accurately reflects the composer’s intentions.

Editorial markings vary from one edition to another. Examination marks will not be deducted for altering these editorial suggestions as long as the resulting change is musically and stylistically acceptable.

fax: 416-961-7198

Please note that the publishing industry changes rapidly. Works go out of print, and copyrights move from one firm to another. In addition, the repertoire lists contain a few works that are no longer in print but that teachers or candidates may have in their personal collections. Out-of-print items are indicated in the lists as “[OP].” Candidates may use an out-of-print work for examination purposes provided they can obtain the published work. (Please see “Copyright and Photocopying” below.)

Anthologies and Collections

If a repertoire selection is published in a collection of a composer’s music or in an anthology containing music by a number of composers, the title of the collection or anthology is usually included in the *Accordion Syllabus* listing. Individual selections may also be found in other sources. The list of anthologies and collections on p. 95 includes full bibliographic details for these publications.

Copyright and Photocopying

Federal and international copyright laws prohibit the use of photocopies without the permission of the publisher. The use of unauthorized photocopies for examination purposes constitutes copyright infringement as outlined in the *Copyright Act* of Canada. Additional information about federal copyright law is available through the Copyright Board Canada at www.cb-cda.gc.ca.

Please note that photocopied music will not be permitted in the examination room. Candidates who bring unauthorized photocopies to the examination will not be examined.

Candidates should bring all music to be performed to the examination. Candidates who wish to photocopy one page of a selection for the purpose of facilitating a page turn may do so with permission from the publisher.

SUBSTITUTIONS

As outlined in the chart below, candidates may make substitute selections for their examination. If approval is required, candidates must submit an Examination Substitute Piece Request form (available online) by the Examination Registration deadline. Candidates are advised to prepare an alternate work in case the request is denied.

Candidates in Grades 1 to 10 may replace *one* repertoire selection with one of three sources:

- repertoire listed for the next higher grade in the *Accordion Syllabus* (*Syllabus Substitutions*)
- selections not listed in the *Syllabus* (*Non-Syllabus Substitutions*) but permission is required
- in Grades 7 to 10 only, selections not listed in the *Syllabus* (*Own Choice Substitutions*) with no permission required

Candidates for the ARCT in Performance examination may *not* choose a substitute selection from the works listed in the *Accordion Syllabus*.

Own Choice

The mark for the performance of an Own Choice selection will include an assessment of the appropriateness of the choice. For this reason, RCM Examinations will not answer questions or give advice regarding Own Choice substitutions.

Candidates should clearly indicate “Own Choice” on the Examination Program Form.

Type of Substitution	Permitted in	Description of Substitute Selection	Prior Approval Required
<i>Syllabus</i> Substitutions	Grades 1 to 10, Repertoire only	Must be chosen from the corresponding list of the next higher grade in the <i>Accordion Syllabus</i> and performed exactly as listed in the <i>Syllabus</i>	no
Non- <i>Syllabus</i> Substitutions	Free Bass: Grades 1 to 10 and ARCT, Lists A and B only Stradella Bass: Grades 3 to 6, List A only	Must be of equal difficulty and musical quality to works listed in the <i>Accordion Syllabus</i> for that grade	yes
Own Choice Substitutions	Free Bass: Grades 3 to 6, List C only Grades 7 to 10 and ARCT, List C or D only	Must be of equal difficulty and musical quality to works listed in the <i>Accordion Syllabus</i> for that grade	no

THEMATIC CATALOGS

Opus Numbers and Catalog Numbers

“Opus” (op.) is a term used with a number to designate the position of a given work in the chronological sequence of works by the composer. However, these numbers are often an unreliable guide, and may have been assigned by a publisher rather than the composer. Sometimes a single work will have conflicting opus numbers. Certain genres, such as operas and other vocal works, were not always assigned opus numbers. For these reasons, individual works by a number of composers are identified by numbers assigned in scholarly thematic catalogs. A number of the more important thematic catalogues are listed below.

Johann Sebastian Bach

Works by J.S. Bach are identified by “BWV” numbers (for example, Allemande in G Minor, BWV 836). BWV is the abbreviation for *Bach-Werke-Verzeichnis*, the short title of the *Thematisch-systematisches Verzeichnis der musikalischen Werke von Johann Sebastian Bach* (Leipzig, 1950), a thematic catalog of Bach’s complete works originally compiled by the German music librarian Wolfgang Schmieder.

Franz Joseph Haydn

Works by Haydn are identified by Hoboken numbers (for example, Sonata in D Major, Hob. XVI:37). Anthony van Hoboken was a Dutch musicologist. His thematic catalog, *Joseph Haydn: Thematisch-bibliographisches Werkverzeichnis* (Mainz, B. Schott, 1957–1971) divides Haydn’s works into a number of categories that are indicated by Roman numerals.

Wolfgang Amadeus Mozart

Works by Mozart are identified by “K” numbers (for example, Sonata in C Major, K 545). K stands for *Köchel Verzeichnis* first published in 1862. Ludwig Ritter von Köchel (1800–1877) was an Austrian professor of botany who devoted his retirement years to collecting all the known works by Mozart. He created a chronological catalog in which these works are listed and numbered.

Anhang

Some catalog numbers include the prefix “Anh.” (for example, BWV Anh.121). “Anh.” is an abbreviation for *Anhang*, a German word meaning appendix or supplement.

Please see “Classification of Marks” on p. 8, “Co-Requisites and Prerequisites” on p. 11, “ARCT Examinations” on p. 12, and “Supplemental Examinations” on p. 12 for important details regarding the ARCT examination. Two years of examination preparation following Grade 10 is recommended for the ARCT in Performance examination.

The ARCT Diploma is the culmination of the RCM Examinations examination system and is evaluated as a concert performance. Excellence in every aspect of performance is expected. Candidates should perform with confidence, communicating the essence of the music and demonstrating keyboard command, and demonstrate a detailed understanding of the stylistic and structural elements of each repertoire selection. Candidates must achieve an Honors standing (70 percent) in order to be awarded an ARCT Diploma.

Memorization is compulsory. A mark of zero will be given for any selection played from the score. Consultation of the score is not permitted.

CRITERIA FOR PASS AND FAILURE

A continuous, convincing performance is a fundamental requirement for a passing mark in the ARCT in Performance examination. A failing mark may be awarded for one or more of the following reasons:

- lack of stylistic awareness
- repeated interruptions in continuity
- substantial omissions
- textual inaccuracies
- complete breakdown of performance

MARKING CRITERIA

First Class Honors with Distinction: 90–100

Only truly exceptional candidates achieve this category. Candidates must demonstrate complete technical command and perform with a confident, masterful style. These candidates clearly demonstrate an authentic personal performance spark.

First Class Honors: 85–89

Candidates present a truly engaging and intelligent performance, displaying technical polish and finesse, definite and apt characterization, and a sense of spontaneity.

First Class Honors: 80–84

EAR TESTS

Meter

Candidates will be asked to identify the time signature of a four-measure passage. The examiner will play each passage *once*.

– time signatures: $\frac{3}{4}$ $\frac{3}{8}$ $\frac{6}{8}$ $\frac{9}{8}$

Intervals

Candidates may choose to:

(a) sing or hum the following intervals, after the examiner has played the first note *once*,

OR

(b) identify the following intervals after the examiner has played the interval *once* in broken form:

– *above a given note*: any interval within a major 9th

– *below a given note*: any interval within the octave

Chords

Candidates will be asked to identify, by chord symbols or names, the chords used in a four-measure phrase. The phrase will be in a major key, will begin with a tonic chord, and may include chords built on the first, second, fourth, fifth, and sixth degrees of the scale. The final cadence may contain a cadential six-four chord and/or a dominant 7th chord.

The examiner will play the tonic chord *once* and then play the phrase *twice* at a slow to moderate tempo. During the second playing, the candidate will name each chord after it is played.

Candidates will be asked to play back a two-part phrase of approximately three measures. The phrase will be in a major key. The examiner will name the key, play the tonic triad *once*, and play the melody *twice*.

SIGHT READING

Playing

Candidates will be asked to play *two* passages at sight:

- One passage will be approximately equal in difficulty to repertoire of a Grade 8 level.
- One passage will be approximately equal in difficulty to repertoire of a Grade 6 level. Candidates are expected to demonstrate the musical features and characteristics of the music both in performance and orally.

Clapping

Candidates will be asked to clap or tap the rhythm of a melody. A steady pace and rhythmic accentuation are expected.

PART 2: VIVA VOCE EXAMINATION

A: Pedagogical Principles

This part of the examination will test the candidate's knowledge of the principles of accordion playing. Candidates should demonstrate an understanding of the fundamental methodologies used in accordion teaching including:

- the physical approach to the keyboards
- tone production, phrasing, and expression
- a practical acquaintance with aspects such as technical exercises, scales, and studies/etudes that are useful for the development of fluency, tone quality, and evenness of touch
- the mechanism of the accordion
- the use and functions of the bellows and registers

Candidates should also be prepared to discuss and to demonstrate their practical knowledge, including:

- beginner teaching methods and materials
- integration of ear training, sight reading, and theory into the learning experience
- performance practice and interpretation appropriate to specific composers and historical style periods, including a familiarity with repertoire suitable for teaching at junior, intermediate, and senior levels

B: Applied Pedagogy

Teaching Repertoire

Candidates should choose a group of nineteen repertoire selections from the *Accordion Syllabus, 2008 Edition*.

- three selections from each of Grades 3 through 7 (one from each list)
- four selections from Grade 8 (one from each list)

The works chosen from each grade should constitute a well-balanced group. A list of the candidate's teaching repertoire must be given to the examiner.

Candidates should be prepared to perform and to discuss appropriate teaching approaches that will assist students in the preparation of these selections, including the definition of pedagogical goals, details

of style and interpretation, structure of practice sessions, and resolution of challenges that may arise. Please note that these selections need not be memorized, but the candidate's performance should be at an Honors level.

Demonstration Lesson

The examiner will select and perform one work from the candidate's list of teaching repertoire. The candidate will be expected to detect errors in the examiner's performance (notation, time values, rhythm, phrasing, interpretation, etc.), demonstrate corrections, and suggest practice strategies to address the problems.

PART 3: WRITTEN EXAMINATION

Examination length: 3 hours

Passing mark: 70 percent

Candidates should be prepared to discuss the following topics:

- teaching materials (including repertoire, studies/etudes, and technique-building exercises) in a variety of styles for students from beginner levels through Grade 8
- elementary psychological challenges, such as are met in present-day music education
- issues likely to arise during a lesson, such as rhythm, phrasing, bellowing, time and *rubato*, dynamics, sight reading, ear training, and accordion registrations

Candidates may be asked to add editorial markings to a short passage of accordion music, including fingering, phrasing, dynamics, expression marks, accordion registration, and realization of simple ornamentation. The title and tempo of the composition may not be given. Candidates may also be asked to write several short exercises designed to correct common technical problems encountered by accordion students.

Frequently Asked Questions

PRACTICAL EXAMINATIONS

What is a practical examination?

A practical examination is the test of repertoire, studies/etudes, technique, ear training, and sight reading for instruments, voice, or speech arts and drama.

Why are out-of-print selections included in the *Syllabus*?

Many teachers have out-of-print music in their personal libraries. A number of out-of-print selections have been retained in the *Syllabus* both as a courtesy to these teachers, and because the pieces are excellent repertoire choices.

How can I obtain permission to photocopy an out-of-print selection that I find in a library or receive from a teacher?

Contact the publisher to request permission to make an authorized photocopy. Contact information for most publishers can be found online or obtained from a music retailer. Some music retailers can obtain authorized photocopies through a special online service.

Can I photocopy a page of music to facilitate a page turn?

You may photocopy a single page once you have obtained permission from the publisher. With this notice, The Frederick Harris Music Co., Limited

grants permission to festival, recital, and examination participants to photocopy single pages from their publications to facilitate a page turn.

How do I choose the best edition for a piece?

The best editions have minimal editorial markings. These editions, often called Urtext, are available from most music retailers. If you are unsure about the best edition, ask your music retailer for suggestions.

Should candidates follow repeat signs? *Da capo* markings?

Candidates should observe *da capo* markings at an examination performance. Repeat signs should usually be ignored.

Why are teachers and parents not allowed in the room during practical examinations?

Practical examinations provide a unique opportunity for candidates to perform in a highly focused, one-on-one environment, without distraction.

What do I do if I have an emergency situation on the day of my examination and I need to cancel?

Contact your Examination Center Representative listed on your Examination Schedule by phone *as soon as possible*.

THEORY CO-REQUISITES

What is a theory co-requisite?

A theory co-requisite is an examination that must be completed before or within five years of the practical examination if the candidate wishes to receive a certificate for the practical examination. Candidates are encouraged to begin theory studies as early as possible.

Do I have to take theory examinations if I don't need a practical examination certificate?

You may take a practical examination without fulfilling theory requirements. If you later decide that you would like to receive a certificate, you have five

years from the date of the practical examination to fulfill the theory requirements.

Where can I find sample theory examination papers?

Official Examination Papers are published annually by The Frederick Harris Music Co., Limited to aid with examination preparation. Each book includes three examinations from the previous December, May, and August examination sessions plus an additional examination created for extra practice. Editions for three academic years are available at any given time and may be purchased from your local music retailer.

Practical Examination Day Checklist for Candidates

Before you Leave Home

- _____ Plan to arrive 15 minutes early.
- _____ Complete your Examination Program Form.
- _____ Bring original copies of all the music being performed in the examination.
- _____ Mark the pieces being performed with a paper clip or a “sticky note.”

Points to Remember

- Bags and coats must be left in the waiting room.
- There are no warm-up rooms for accordion candidates.
- Parents, other family members, friends, and teachers must wait in the designated waiting area.
- Standing and listening outside the examination room door is prohibited.
- Recording devices are strictly prohibited in the examination room.
- Photocopied music is prohibited (unless authorized by the publisher).

What to Expect from a Practical Examination

- A friendly, yet professional atmosphere
- The undivided attention of an examiner
- An objective assessment of your performance of repertoire, studies/etudes, technique, ear tests, and sight reading
- The examiner’s written evaluation online within six weeks of the examination

After the Examination

Access your practical examination marks and examiner comments through the “Examination Results” link on the RCM Examinations website (www.rcmexaminations.org) approximately 4–6 weeks after the examination.
